## WHITE MAGIC

S.C. 11-13" x 6-8" FULL FACING  
ON THE STURDIEST OF STEMS  
TO BE RELEASED IN 1949

*Potted plants will not be sent via mail, express or freight. However, plants removed from pots, soil thoroughly washed off, carefully protected by dampened moss and wrapped in wax paper will be sent via mail, express or freight. Plants thus received, if immediately potted, using a good potting soil consisting of half soil and half humus, leaf mold, or compost, thoroughly watered and set in a shady location will satisfactorily thrive and in a few days can be set in a sunny spot or planted in the field. This foregoing declaration is made only after years of experimentation. By this means of sending plants, the loss in transit is infinitesimal and little or no disappointment to the customer.*

### LOCATION OF GARDENS

### NOTICE

I do not give the size of the flowers and the height of the plants, as they would vary in different gardens all dependent on their treatment, cultivation, fertilization and different locations. Those that do not come up to my expectation of exhibition value are discarded.

All orders of \$2.50 and above, prepaid; all under \$2.50 add 20c for postage and packing. In case the order is less than \$2.50, and the additional 20c is not included, we ship by express.

Should you be in the market for a particular foreign variety and not listed herein, communicate with me, as some foreign shipments have not as yet arrived.
